

# Lesson 2

The Areas of Knowledge Part 1

# Areas of Knowledge

Natural Science

Human Science

History

Mathematics

The Arts

Ethics

Religious Knowledge

Systems

Indigenous

Knowledge Systems

# The Old.... in a TOK Sense

- Natural Science
- Human Science
- History
- Mathematics
- The Arts
- Ethics

# Mini Presentations

- Six equal groups.
- Each group take one of the 'old' AOKs.
- Design a mini summary presentation of your chosen AOK.
- You have 25 minutes to prepare and 3-4 minutes to present.
- Your presentation much address all of the points on the following slide.

## **To Include in your presentation....**

1. Your groups definition of your AOK. (Do not simply adopt a dictionary definition.
2. What are 4-5 characteristics of knowledge in your AOK that make it that kind of knowledge.
3. Name and explain some examples of 'famous' knowledge in your AOK.
4. Can you come up with examples of what was once 'knowledge' in your AOK that no longer is?

# Reflection.....

Choose 2 AOKs that were presented. (not your own) and write a 250-400 word reflection on the question on the next slide.

Try to find real life examples and copy paste a URL after your reflection.

## For each AOK answer:

What is more important in your your chosen AOK, method or content (how or what)?  
Explain each choice.
